

The Best Care for the Most Important Child – Yours

Johns Hopkins Bayview Medical Center Child Care Center is open year-round and offers a variety of full- and part-time programs to meet your family's needs.

At our center, you'll find:

- ▶ Well-balanced two's program with a focus on learning daily tasks and routines at each child's own pace
- ▶ Preschool program designed to prepare children for success in school and life
- ▶ On-site convenience and extended hours that fit the way Johns Hopkins Health System employees work

Choosing a child care and early education center is a big decision. At **Bright Horizons®**, we want you to walk out the door each day knowing your child is safe, loved, and motivated to unleash his or her curiosity. And we strive to give you that confidence about every aspect of your child's experience.

A Bright Horizons early education and preschool experience includes:

- ▶ Curriculum based on research and developed by early education experts
- ▶ *Discovery Driven Learning™* that encourages questions and inquiries, giving educators the opportunity to guide each child's natural curiosity using our robust curriculum
- ▶ Health and safety policies designed for peace of mind
- ▶ Passionate, professional, and certified teachers
- ▶ Resources to support families including webinars, podcasts, learning activities for home, and more
